behind Richardson's warehouse
Wednesday morning James Bras-
well of Jackson, Miss., had a leg
broken just above the ankle.

It was reported that one of
the big poles slipped and rolled
off the pile and caught young
Braswell, an employee of the
Irby Construction Co., before he
could get out of the way. Mr.
Braswell, who has been living in
the Daetwyler apartment, is now
in the Pocahontas Memorial Hos-

State Police said skid marks on the road showed that Jordan's car crossed over to the left side of the road for about 150 feet and came back sharply, hitting the bridge. They said he apparently was traveling at excessive speed and went to sleep at the wheel. He was alone at the time of the accident. The car, a 1956 Ford sedan was demolished.

State Police were called by the driver of a tractor-trailer who passed by and saw the wreck.

Born May 7, 1941, Jordan was employed by the International Shoe Company tannery in Marlinton.

Survivors include his parents, Jesse and Hazel McClure Jordan of Marlinton; two brothers, Richard and Lynn Jordan, both of Marlinton, and two sisters, Thelma Jordan of Charleston and Patricia Jordan of Marlinton.

Camp Copperhead CCC To Hold Homecoming

Members of the old CCC Camp Copperhead, formerly located at Bird's Run near Frost are planning a Reunion to be held at the old campsite on Saturday and Sunday, July 23-24. This will mark the 25th anniversary of the establishment of the camp on July 25, 1935.

All former enrollees and camp personnel are invited to come, bring a picnic lunch and spend a day or two renewing old acquaintances. Francis Austin of Grafton is ramrodding the arrangements and will be on the grounds from Friday night on.

There will be a formal ceremony at 11 a.m. Sunday with several prominent speakers expected to be on hand.

Dilley's Mill Scout Reservation To Be Dedicated On July 23

Formal dedication of the new, by this new camp will be on display throughout the afternoon and evening, ending with a ceremonial camp fire service sponsored by members of the Order of the Arrow.

Boy Scouts and leaders from the nine counties encompassed in the Buckskin Council area will stand ready to open their new camping facilities for the first public showing and official dedication. More than ten thousand members of scouting families, public officials and interested officials and interested public are expected to look over one of the finest boy scout camps in the East.

The new camp, which has already hosted about one thousand scout campers this summer, is located in the center of the glorious Greenbrier Valley just 17 miles Northeast of Marlinton. It consists of 1800 acres, bounded on the North by Seneca State Forest, on the West by the Greenbrier River and on the South by the Monongahela National Forest.

THE PUBLIC IS INVITED

Every scout is quite anxious that the public will join in this festive day. Scouting activities typifying all of the skills of scouts and the facilities offered

Scout officials ask that every one planning to attend the dedication ceremony set their arrival for 2:00 p.m. or after because the camp is in operation and new units will be arriving and must be checked into camp prior to the dedication program.

It is suggested that every one plan this as a family outing and picnic, bringing the whole family and what food and refreshments will be needed for their evening meal. No food can be provided at the camp site.

All of the day's activities will take place around the beautiful 17-acre lake. However, swimming and boating will not be available to the public for health and safety reasons. Every youngster is invited to bring his fishing pole and try his luck at catching one of the big bass recently stocked in the lake.

Council should make a scout reservation during the Golden Jubilee Year—the fiftieth anniversary of the Boy Scouts of America. This same day, July 23, 1960, more than 50,000 boys and their leaders will be camped at the Fifth National Jamboree at Colorado Springs, Colorado—and more than 3,000,000 other scouts and leaders will be holding outdoor events and camping under the stars throughout the nation in commemoration of scouting's jubilee year.

Since 1910, a total membership of 27,000,000 different boys and 8,750,000 different adult leaders have been registered scouters. Today, millions of American youth are growing through scouting's advancement program, doing good turns, saving life and serving their nation and their God. Indeed, the Boy Scouts have left a lasting impression on the life of our nation. It has become a vital part of our American Way of Life.

**Dr. McMichael Named
State Archeologist**

Effective July 1, Dr. Edward V. McMichael was appointed to the newly created "Archeologist" position of the West Virginia Geological and Economic Survey. Headed by Dr. Paul H. Price, The new Section of Archeology's aim will be to scientifically recover West Virginia's prehistoric Indian remains, which until this appointment had forced the state to rely upon out of state institutions to recover information about West Virginia's prehistoric inhabitants. While the archeological work done by particularly Carnegie Museum, Pittsburgh, Pennsylvania, and the Smithsonian Institution, Washington, D. C., was much needed, and well done, it resulted in the Indian material recovered in their excavations being carried out of the state. In the future, West Virginia will be able to conduct archeological survey and excavations, and provide adequate cataloging and storage of recovered artifacts, without seeking help from outside.

In general outline, Dr. McMichael's program will be to discover and record prehistoric Indian "sites". An Indian site being any locale which bears some evidence of past activity, such as Indian camp sites, rock carvings, villages, or flint quarries. Archeological excavations will be conducted at these sites which will provide important information about past Indian life, or those sites threatened by de-

struction through flooding or in- dustrial development. Finally, the information which the archeologists recover will be made available both to the people of West Virginia through popular newspaper accounts, lectures, and projected popular publications and museum displays, and to the scientific discipline of archeology, through technical reports in professional journals and by papers presented at archeological meetings.

In order to carry out this program, much cooperation with the people of West Virginia will be necessary. Close work is particularly anticipated with the West Virginia Archeological Society, whose members have long done excellent archeological work in the state, and who were instrumental in bringing the present "Archeologist" position into being. But all the citizens of the state can be of aid in calling to the archeologist's attention the location of Indian sites, collections of Indian relics, and important sites which are threatened with destruction. If you know of such information please forward it to Dr. McMichael, West Virginia Geological and Economic Survey, Morgantown. As time permits, Dr. McMichael will check into these leads which you provide. In this fashion, the archeologist can and will through your help, record and preserve West Virginia's prehistoric heritage.

A recent map lists 13 different names for the word "mountain". They are: berg, girl, kangri, killima, kuh, mir, monte, nevado, san, shan, tagu, ula, and yama.

A heavy downpour just after noon left several long puddles on the inside track but after they had been drained and the karts made a few dozen laps the track was found to be in excellent condition. As a result the fans were treated to record breaking speeds on the quarter mile oval.

Carl Depoy of Staunton, Va., driving a custom-built class A Kart competed with the local B karts and made a wonderful showing. Besides winning the 15-lap feature event he set a new track record for Class A Karts of 23.1 seconds.

The winners of the various Class B events were as follows:

1st 10-lap heat race—Harlan Grimes.

2nd 10-lap heat race—Tommy May.

Durbin Kart Rival May Appear Sunday

Local kart drivers are wondering just what is going to happen Sunday if Johnny Nelson of Durbin brings his brand new B Class Kart to next Sunday's races at the Fairgrounds. It is understood that Johnny's kart is powered by two West Bend 580 engines which would put him high in the Class B bracket.

At the last race fans saw Carl Depoy of Staunton turn the track in 23.1 with his custom built "A" kart. This kart is expected to return, along with several others from that area, to give the local drivers plenty of trouble.

Reports say the track will be in first class shape and the local kart owners are working hard to get every ounce of speed they can in order to stay with the expected stiff competition.

Gov. Underwood To Speak At 11th Annual Hill Reunion

Governor Cecil H. Underwood has accepted an invitation to speak at the 11th annual Hill reunion, Sunday, August 21, according to Johnnie B. Hill, president of the reunion. The Gover-

Gov. Cecil H. Underwood
Reunion Speaker

nor will deliver his address at 2:00 p.m. to the estimated 700 who annually gather at Droop Mountain Battlefield State Park in the biggest family conclave in Pocahontas County.

At 11 a.m. the Rev. William Leslie Crane, a native of Renick, will conduct the Memorial Service. The subject for his talk will be "Reunions and Emotions."

Rev. Crane, a son of Mr. and Mrs. Okey Crane of Renick, is a graduate of Renick High School, attended Concord College and a graduate of Lighthouse Bible College and Pioneer Theological Seminary of Rockford, with Doctor of Theology degree. He has served as pastor of the following churches: Valley Baptist Church, Big Clear Creek Baptist Church and Beaver Creek Baptist Church in West Virginia. He has served the Buchanan Field Churches in Virginia for years, The First Baptist Church in Narrows, Va., for seven years and has been in the Baptist field a second time for two years.

Mr. Crane is married to former Miss Ada McMillion of Friars Hill, W. Va. They are parents of one son.

Every person attending the reunion is requested to register as they will be eligible for the drawing of the 10 silver dollars given each year to 10 lucky persons. Awards will also be given to the oldest person; the couple married the longest; the youngest person; the most newlywed couple; the largest family, and the individual traveling the greatest distance.

Present officers of the reunion are: President, Johnnie B. Hill; vice-president, Paul M. Simon; secretary-treasurer, Mrs. Hugo Hill.

**Kart Races Shortened
By Heavy Downpour**

Last Sunday's kart race pro-
gram had to be cut short because
of continued heavy rainfall but
the customers seemed to think
they had got their money's worth.
The track was in fine shape and
some of the fastest times of the
season were turned in.

In a ding dong battle from
start to finish, Billy Clendenen
surprised the viewers by winning
the first Heat race over veteran
drivers Jody Moses, Harlan
Grimes, and Tommy May.

The second Heat race was also
a dinger with the lead changing
several times. The final flag
showed Jim Michael the winner
with "Lone Ranger" Percy Moses
a close second followed by Dor-
sey Moses and "Smokey" John-
son.

The women's Heat race was
won by Pat Wooddell and the
Men's Australian Pursuit by Har-
lan Grimes.

On Sunday, August 28, the
local kart club is planning an In-
vitational Trophy Race. Invita-
tions have been mailed to seven
karting clubs in the bi-state area
to bring entries. Beautiful tro-
phies will be given the winners
of the feature races. It is also
planned to use the Le Mans in-
side track for the first time on
this date.

Miss Glenda Smith, member of the Buckeye White Savages 4-H Club and daughter of Mr. and Mrs. S. Glenn Smith of Mill Point was declared the Outstanding Exhibitor at last week's Pocahontas County 4-H-F.F.A. Fair. This achievement entitles Miss Smith to the Journal Award which is given annually to the winner of that title.

The Journal Award in the past has always been won by a boy, mainly because the young men have a greater opportunity to participate by entering exhibits in both 4-H and F.F.A. categories. However, this year the judges felt they could not ignore Glenda's splendid record as a 4-H'er and the fact that, out of a possible 400 points to be scored in her four entries, she had a total of 397 points. The choice was a popular one as evidenced by the applause of the spectators when the announcement was made.

Miss Smith, who has been in 4-H work for nine years and is a senior student at Hillsboro High School, will be presented with her trophy at the 4-H Achievement Day program.

Grimes Sets Track Record And Wins "B" Feature Trophy Race

Last Sunday one of the largest crowds of the season saw a track record broken and several thrilling accidents at the Invitational Trophy Kart Races at the fairgrounds track.

Harlan Grimes, local speedster, set a new track record of 22.6 in the time trials then went on to win the feature trophy race over a fast field.

Karts were entered in Sunday's races from Durbin, Green Bank, Alderson, and Marlinton as well as Staunton and Waynesboro, Va. Visiting karters were high in praise of the local race plant, placing it among the best in the East.

"Lone Ranger" Percy Moses finally got to carry the checkered flag after being declared the winner of the Australian Pursuit race. This race, scheduled for 20 laps, ended abruptly in the eighth lap when, of the remaining five carts, two tangled and wrecked in the first curve and two more repeated the performance on "Suicide" curve, leaving the "Ranger" alone again.

The results of the various events were as follows:

Local Publisher Is Named To Committees

Paul W. Haddock, owner and publisher of The Marlinton Journal and the Cameron News, was recently honored by being named to two important committees.

The first appointment was to the Advisory Committee of the West Virginia Centennial Commission and was made by Chairman Chas. Hodel of Beckley. This committee will be called upon to aid and assist in the formulation of plans for the big 1963 year-long celebration of the 100th anniversary of the state. Members will be expected to present the Centennial story to clubs and organizations in their areas.

Karts were entered in Sunday's races from Durbin, Green Bank, Alderson, and Marlinton as well as Staunton and Waynesboro, Va. Visiting karters were high in praise of the local race plant, placing it among the best in the East.

"Lone Ranger" Percy Moses finally got to carry the checkered flag after being declared the winner of the Australian Pursuit race. This race, scheduled for 20 laps, ended abruptly in the eighth lap when, of the remaining five carts, two tangled and wrecked in the first curve and two more repeated the performance on "Suicide" curve, leaving the "Ranger" alone again.

The results of the various events were as follows:

Letters To The Editor

1767 P Street, NW,
Washington 6, D. C.

July 29, 1960

Dear Editor,

The emphasis that both parties are placing on so-called "civil rights" may not, we suspect, be making quite the impression on the rank and file of our colored brethren that the politicos are straining for. Perhaps it is time to recognize that there are some "unalienable" rights that are beyond the power of politicians to give or to take away, to augment or diminish. "Equality" is a very misunderstood term. To accept and uphold the contention of the Declaration of Independence that "all men are created equal", it is hardly necessary to believe that all men are created identical, that all share the same capacity for work or play, for leadership or inventiveness or creative achievement, for fighting or for peace-making. Nor is it any more reasonable to expect identity of attributes—good and bad—among the races of the earth.

A forcible reminder of this comes from Editor Paul Dean of the ROCK VALLEY (Iowa) BEE who says, in the course of his

TAKE YOUR CHOICE (Editorial)

Examination and comparing the Democratic and Republican platforms reveals a similarity, yet there are differences:

Where the Democrats stress economic aid, emphasis is on military the need to Contain Communism. Both urge stronger defense.

The Democrats urge the Connally amendment. Republicans ignore this that stands between us in our destiny to the Court.

The Democrats would from the Treasury to and workers injured imports under GATT. Republicans promise taxation instead.

The Democrats support supports at 90 percent and new subsidies to The Republicans brandish subsidies as "cruel deceit". The parties would expand the Bank.

The Democrats would the aged (all the Social Security. They promise a contribution those who need it.

"Many of them live like white people would like to live—with-out trivial worries. To illustrate:

"I have a friend, Glen Houdek, who has sort of semi-retired and has built himself a home in Florida.

"When he was building his home Glen had a colored 'boy' doing odd jobs about the place. He still works a little even now that it is finished.

"George, the colored boy, was always broke.

"Glen asked him why he didn't save some of his money, put it in the bank for a rainy day, and all the other Franklinisms like 'a penny saved is a penny earned'.

"A good reason for not worrying too much . . . was uttered when George said:

"Mista Glen, if you was a colored boy for one Saturday night, you'd never want to be a white boy again."

George, and Editor Dean, have given all of us, of both races—and our political leaders—something to think about. After all, the Declaration says something too about "the pursuit of Happiness—and coequally, as we read it, with "Life" and "Liberty".

Sincerely,

Bob Taylor

not.

The Democrats promise a one hour minimum wage, of a Federal law per states to ban union shops, soften the Taft-Hartley and drum-Griffin laws. The Republicans would boost the minimum wage, but don't say how. Both parties would revise employment insurance — upward.

The much discussed civil rights—stronger than before—are substantially the same, differing only in details.

It should be noted again, in the background that both Vice President Nixon and Senator Lodge in their acceptance speeches stressed the overriding importance of our leadership in the free world. "A life long struggle with Communism," said Senator Lodge, "is the issue of the election." The Presidential election echoed these sentiments. Nixon said he would not "turn the peoples' votes with money."

On balance, the Democratic platform, for all its less profligate than the Republican, and reflects its subservience to Labor, is significant, perhaps, in that the Democratic team proposes to put first—that freedom and security will come ahead of

Three In Vicinity Meet Violent Death Over Labor Day Weekend

Herbert Callahan, 17, of Low Moor, Va., died in Pocahontas Memorial Hospital from injuries received in an automobile accident about 5 a.m. Wednesday, September 7, 1960.

He, in a car driven by James Lester McDaniels of Marlinton, along with Robert Lee Waugh of Minnehaha Springs and Melvin

and Ronald England of Oak Hill, were on their way to work at Hot

Springs, when the car sideswiped a culvert near the home of Chris

Ryder on the Huntersville road.

The car was demolished. The four survivors were brought to the Hospital in the Marlinton Volunteer Fire Company's Emergency Car but were not seriously injured. E. T. Stemple and Jack Long manned the emergency car.

MRS. BONNIE NELSON

Mrs. Bonnie Louise Nelson, 28, of Cass died early Monday morning, September 5, 1960, of a self inflicted gunshot wound, at her home. She was struck in the head by the bullet.

She was a member of Green Bank Methodist Church.

Surviving are her husband, John; two sons, Gary and Terry both at home; her parents, Mr. and Mrs. W. H. Sheets of Cass;

three sisters, Mrs. Betty Gray of Conn., Mrs. Ruby Hill of Green Bank, and Mrs. Carolyn Thomas of Baltimore, Md.; a brother, Allen Sheets of Green Bank.

Funeral services were conducted on Wednesday afternoon in the Green Bank Methodist Church with the Rev. C. E. Cox in charge. Burial was in the Arbvale Cemetery.

Monongahela Forest Personnel Changes

Supervisor E. M. Oliver of the Monongahela National Forest of Elkins announces several changes in Forest Officers.

Ranger Robert Deemer of Marlinton will transfer to the Supervisor's staff of the Green Mountain National Forest in Rutland, Vermont. Deemer will have charge of recreation, lands, acquisition and water management.

Staff Assistant Richard A. Kennell of Elkins will replace Deemer as Ranger at Marlinton.

Beverly Driver, Assistant Ranger of Marlinton, will replace Kennell at Elkins as assistant to George Nietzold in timber management work.

Albert Ike, who has been assistant to Craig Losche on the Pilot Soil Survey of Tucker County, will transfer to a field center of the Southeastern Forest Experiment Station at Athens, Georgia.

R. J. Humphreys was recently transferred from the clerical section of the Elkins office to the Regional Forester's office at Upper Darby, Pa.

Brent Scott, Forester at White Sulphur Springs, has applied for leave of absence and Ben York of Buena Vista, Va., will fill in behind him.

Grady Moore To Resign As Circuit Clerk

Grady Moore, who has served as Circuit Clerk of Pocahontas County for more than 20 years, will resign that post soon to take a position with the Bank of Marlinton. Mr. Moore, in commenting on his decision, said that, in spite of the fact his term had two more years to run he thought it wise, because of his health and age, to return to private life while the opportunity was open.

Mr. Moore defeated the late Coe Adkinson for the Circuit Clerk's job in 1938 and has been reelected every six years since. His amiable personality and willingness to help anyone at any time has won him a host of friends in both political parties. In fact the Republicans haven't even run a man against him in the past two elections.

Who will succeed Mr. Moore in the Circuit Clerk's job has not been announced. After his formal resignation the Democrat Executive Committee will present a list of nominees to Judge Nickell Kramer who will make the final choice as to who the interim appointee will be. The next regular election for the office will be in 1962.

COPPERHEADS WIN OVER WEBSTER SPRINGS 13-6

Marlinton High School won over Webster Springs in a thrilling contest Friday night. The Copperheads were outchassed in weight but made up the difference in hustle and desire. The Webster Springs team averaged 180 pounds to Marlinton's 150.

Webster Springs scored late in the first half on a short pass as the extra point was not made.

Early in the second period John Buzzard tossed a 10 yard pass to Robert Taylor who ran 40 yds. for the first Copperhead touchdown of the game. Again in the fourth quarter Buzzard tossed a long pass to Henry Fife on the goal line but was called back on a penalty. Later in the same period Doug Jett, Don Sharp, Robert Taylor and Sharp drove the ball deep into the opponents territory. Sharp then scored the touchdown on an end run. Buzzard completed a pass to Fife for the extra point.

Outstanding linemen were Al Buzzard, Joe Shaffer, McComb, Henry Burr, Don Emmette Bailey, and Harry Ley.

Green Bank School opened with the addition of one new teacher Miss Anna Belle Sheets, in the 6th Grade. Miss Sheets was graduated from this school in 1956 and completed her elementary degree in Glenville State College in June 1960. She was a good student in both the public schools, and college, and we feel sure she will do a good job as a teacher in our schools.

Two years ago Green Bank High School added an extra incentive to the program in what we call a Merit Diploma. The idea in offering this diploma, in addition to the regular diploma, was that additional incentive might lead students to emphasize citizenship, extra curricular activities and a background for activities they will need in order to fit into and become a part of a complicated society when they graduate from high school. A close examination of the following provisions in order to earn such a diploma, leaves the responsibility with the students. It is not a matter of competition with other students, but the responsibility of the individual student with himself. The student can judge himself as to whether he has or has not earned the dip-

is not a matter of competition with other students, but the responsibility of the individual student with himself. The student can judge himself as to whether he has or has not earned the diploma. It is not a matter of faculty selection, but a matter of the student's own record. We think it has been a valuable addition to our school. The provisions are as follows:

GREEN BANK HIGH SCHOOL 1958-1959

DIPLOMA OF MERIT

In order to stimulate interest in higher academic achievement, we are giving a special diploma of merit to those students meeting the requirements as set up by the faculty of Green Bank High School and approved by the Board of Education of Pocahontas County. The requirements are so devised that the average students, with a little extra effort, can become eligible to receive, both, the standard diploma and the diploma of merit. Any student earning a merit diploma will have an automatic recommendation to college. This is in keeping with the policies, on raising entrance requirements, which are being considered by many colleges and universities.

REQUIREMENTS FOR A DIPLOMA OF MERIT

1. Grades recorded for each semester shall be evaluated on a quality point basis: A—4 points,

interest in the field of mathematics and science, the following quality points shall be given for each semester on these subjects:

Geometry, Algebra II, Solid Geometry, Trigonometry, Chemistry, Physics, and Biology II—A, 6 points. B, 5 points, C, 3 points, and D, 1 point.

3. The plus or minus sign after a grade will not be considered.

4. The required number of points for the year 1958-59 shall be 80; and for each succeeding year after 1960—85 points.

5. Only grades for academic subjects counted toward graduation shall be considered.

6. At least 20 points shall be earned during the senior year.

7. To be eligible, a graduate must have been a student at Green Bank High School for at least two whole years.

8. Rank in class will be shown on merit diplomas. This rank will be figured on academic subjects only.

9. Conduct requirement—"B" average.

About 60 enthusiastic people including your editor, took the trip which was arranged to show the committee the possibilities in saving the railroad as a top tourist attraction.

The committee will meet this coming Sunday in Charleston to decide whether or not to recommend the purchase of the scenic route to the next legislature. If the interest shown on Saturday has any significance I am sure the committee will decide to do all they can to acquire this "natural".

4H Achievement Day (Continued from Page One)

The Danforth "I Dare You" awards were presented to Lelia Moore and Toncy Byrd, for their outstanding 4-H work and leadership ability displayed.

It was announced that Margaret Johnson had won the state award in achievement and had received a trip to National 4-H Club Congress.

Blue ribbons were presented to the following clubs for meeting all of the requirements set up for clubs: Buckeye White Savages, Hillsboro Pep-to-Win Green Bank Merry Wigglers, Seneca Go Getters, Edray Producers, Green Valley Loyal Workers, and Fairview Mt. Lions.

Red ribbons went to Durbin Satellites, Boyer Busy Bees, Marlinton Pioneers, Pine Grove Peppy Steppers and Lobelia Aztecs. White ribbons went to Brown's Creek Pioneers and Dunmore Mountaineers.

Walter E. Jett gave a report on Agriculture Achievements in the county for the past year and recognized outstanding members.

Mr. Paul Haddock presented a trophy to Glenda Smith, who was picked as the outstanding exhibitor at the 4-H and FFA Fair. This award is presented by the Marlinton Journal.

A trophy was presented to the Buckeye Winners 4-H Club for being picked as the Health Club of the year.

To climax the program, a party was held in the gym for the 4-H'ers with recreation led by Mrs. Beatrice Gladwell, Mr. Arch Wooddell and Miss Barbara Blackburn. Refreshments were served by the 4-H Leaders Association and the Farm Women's Council.

PARRIS ISLAND, (FHTNC)

Meritoriously promoted to Marine Private First Class September 8 upon graduation from recruit training at the Marine Corps Recruit Depot, Parris Island, S. C., was Daniel R. Gilmore, son of Mr. and Mrs. Lanty P. Gilmore of Rt. 1, Marlinton. Before enlisting in June 1960 he attended Marlinton High School.

He received his promotion for outstanding performance of duties during recruit training.

The 12-week training schedule included drill, bayonet training, physical conditioning, parades and ceremonies, and other military subjects.

Three weeks were spent on the rifle range where the recruits fired the M-1 rifle and received instruction in basic Marine infantry weapons.

This recruit training prepares young Leathernecks for further specialized infantry training at Camp Lejeune, N.C.

1ST CAV. DIV., KOREA (FHTNC)—Army PFC William A. Morgan, 21, son of Mr. and Mrs. Samuel A. Morgan, Hillsboro, recently participated with other personnel from the 1st Cavalry Division in Exercise Trooper Turnout II, a three-day field problem in Korea.

The exercise, involving about 20,000 troops, stressed the division's ability to adapt to fast changing combat conditions. Training in defensive tactics was provided by an attack by a simulated aggressor force throughout a 220-square mile combat zone.

Regularly assigned as a wireman in Battery B of the division's 20th Artillery, Morgan entered the Army in February 1959, completed basic training at Fort Jackson, S. C., and arrived overseas last April.

He is a 1958 graduate of Hillsboro High School.

MAYPORT, Fla. (FHTNC)—Amos M. Barkley, machinery repairman fireman, USN, son of Mr. and Mrs. Clifford L. Barkley of Cass, W. Va., and Joseph K. Hollingsworth, fireman apprentice, USN, son of C. M. Hollingsworth of Hillsboro, W. Va., returned to Mayport, Fla., Sept. 1, aboard the attack aircraft carrier USS Franklin D. Roosevelt.

The Roosevelt completed a six-month tour with the 6th Fleet in the Mediterranean.

While in the Mediterranean, the carrier visited ports in France, Greece, Italy and Spain.

Great Lakes Ill. (FHTNC)—Gary D. Tallman, son of Mr. and Mrs. Craig Tallman of Stony Bottom, graduated from recruit training Sept. 24 at the Naval Training Center, Great Lakes, Ill.
